Mr. Vignesh Manjeshwar,

Dear Mr. Vignesh,

At the outset, on behalf of my school, particularly on behalf of my S.S.C. students, I express our sincere gratitude to you for taking time out of your busy schedule to conduct a highly motivational seminar for them during their camping at Vaitarna on 29th November, 2003.

After the seminar, we noticed perceptual change in the over all attitude of our S.S.C. students who are highly motivated to pursue the path of success with confidence in themselves.

In fact, almost all of our S.S.C. students have asked for yet another chance to attend your seminar. I am sure that the motivational seminars conducted by you as a part of your social welfare venture will continue to influence and motivate the lives of many more students in the days to come.

Indeed we too are looking forward for a longer association with you and your team.

With the best wishes and compliments of the season to you and your team.
